Calendar

2010

A close-up photograph of a brown dog's face, looking directly at the camera. The dog's fur is dark brown with some lighter patches. Its eyes are a warm, reddish-brown color. There are small, white snowflakes scattered across its forehead and around its eyes. The background is a plain, light color, possibly snow or a white backdrop.

"DOG, a subsidiary Deity designed to catch the overflow and surplus of the world's worship . . . [H]is master works for the means wherewith to purchase the idle wag of the Solomonic tail, seasoned with a look of tolerant recognition."

We felt welcome and at home at CCSC right away. I'm thankful to have a community of people who love and respect their dogs as much as I do, and a place where that love and respect is able to be shared.
